Cinema event

The Cerf Community survey had many requests for cinema events. We are very excited to be planning a Childswickham outdoor cinema event this summer. Further details to follow!!

Parish Council Update

Our play area is set to benefit from a £20,000 National Lottery Grant for new play equipment. Residents have been asked to share their ideas. In the meantime, maintenance work is being carried out to keep the play area safe and tidy.

Work to tackle speeding has progressed, with solar powered upgrades to the Speed Indicating Devices being arranged. The Parish Council is also working with the County Council to explore a safer location for the school bus stop on New Street.

Environmental priorities remain a key focus. A new Biodiversity policy has been adopted and the Parish Council continues to ensure that local wildlife, drainage, pollution and flooding concerns are strongly represented in the planning responses.

The Parish Council currently has vacancies and would warmly welcome new members. If you are interested, or would like to find out more, please do get in touch with the Clerk for a chat.

Next Meeting: 14th May 7:15pm - Village Hall
Contact: clerk@childswickhamparishcouncil.org.uk

Childswickham Memorial Hall Report from the AGM

The Chairman reported that all mandatory checks have been carried out for a public building, including the fire alarm system was updated and the E.I.C.R five year wiring tested was completed.

The Trustees continue to improve facilities in the hall, when funds become available. Last year;

- Painting the exterior of the hall
- Decorating the interior rooms of the hall
- Installing a new snooker room lighting system
- Reclothing the snooker table
- Installing blinds in the main hall

Repairs to the entrance ramp will be carried out in May.

There are vacancies for Trustees to join the Committee. Contact Rob Simms: Robsimms46@outlook.com

The Chairman thanked the Trustees for their support during the year.

To book the hall: visit www.childswickham.org.uk

Stream monitoring

Cerf have been diligently working to collate and validate evidence that our stream has been polluted over the last 3 years. They have been in communication with the council, the Environment Agency, Severn Trent and our MP and, as a result, the EA are now undertaking an investigation into the illegal sewage spills and the health of the stream.

A dedicated group has been set up – FOBB (Friends of Badsey Brook), who are being trained to carry out fortnightly water quality testing. A separate leaflet will soon be available, giving further information on this.

Kairos Café at House of the Open Door

Connect over good food and warm conversation. Enjoy a refreshment buffet and light, sustainable meal

30th May and 27th June

Noon – 4pm

Childswickham House WR12 7HH

hod@houseoftheopendoor.org / 01386 852084

St Marys – The Tuesday Bap!

A filled bap, cake and tea
1-2pm
Join us at the Village Hall on the first Tuesday of each month
Donations appreciated!

Coffee Mornings

Coffee mornings take place on 2nd Saturday of each month, offering a relaxed space for everyone to meet and chat. It's free to attend but voluntary contributions have raised an amazing £958 for charity. Thank you to all those who make this such a lovely event!

***Cerf has** been set up by a group of Childswickham residents, to run local projects for the benefit of the village community.*
