Friends of St Marys

The Friends is nearly 10 years old! Over the past decade we've tackled countless projects, from repairing the spire to making the church watertight. Currently underway: the north transept roof and the boiler house roof repair. This year's fundraising has included the winter quiz, Easter hunt, a church concert, the fete, and open gardens at Manor Farm - with the November quiz still to come. Got a fundraising idea? We'd love to hear it!

Helping to keep the village tidy!

Meet us on 19th September, 10am at the Cross to help
(or, if it rains, on 3rd October!)

Many thanks to the crew who turned up in June to help tidy up the village. Between us, we cleared a lot of overgrowth and bushes to make Brook Street more passable, removed stubborn weeds at the entrance to Green Close and prepared sites for bulb planting in the autumn.

More work will be done over the next few weeks to maintain benches, some of which have been kept in good condition for decades by other villagers.

Village Fete

What a turnout for this year's fete! Highlights included the very first Childswickham Champions, pig racing, morris dancers tackling the agility course, and a teddy abseil. Huge thanks to everyone who came along, our brilliant volunteers, our sponsors, and all who helped pull it together. A fantastic ***£2,600*** *raised, split 50:50 between the Community Fund (CERF) and the Friends of St. Mary's for building upgrades.*

Childswickham Cross

CERF

Dr Neil Rimmington, Inspector of Ancient Monuments, from Historic England visited to assess the condition of the cross. The Cross is a Grade II listed limestone standing cross, consisting of a medieval base with a 18th century top. He confirmed that it is in very good condition, but within the next 5 years or so, will need repointing with lime mortar.
