Cerf has been set up by a group of residents to run projects for the benefit of the village community. Started in August 2025, with questionnaires sent to every household in the Parish, it has tackled many of the ideas raised. Look out for another questionnaire, this August, asking for your ideas on what you would like Cerf to do next.

Childswickham Parish Council

The Parish Council held its Annual Meeting in May, where Anthony Halling was elected Chair and Jon Wade was elected Vice-Chair for the coming year.

Current projects include plans to refurbish the village play area, with quotes now being sought for new, more inclusive equipment that will benefit children of all ages and abilities. We're also exploring the installation of a new village noticeboard in New Street to improve communication with residents.

The Parish Council currently has four vacancies, and we'd love to hear from anyone who cares about our community and wants to make a difference. You don't need any special qualifications or previous experience – just an interest in the village and a willingness to get involved. It's a great way to meet people, have a real say in local decisions, and help improve the place we all live. If you'd like to find out more, please get in touch with the Clerk, David Hunter-Miller: 07513 122918 or clerk@childswickhamparishcouncil.org.uk
